

Press Release

EnSue's Smoothies Sips Into East Point May 24, 2025

East Point, Georgia April 25, 2025

Fitness enthusiast and “Smoothie Queen”, Sue Worthy delivers her smoothie bar concept to burgeoning City of East Point. With over 20 years experience in the fitness/health industries, “Coach Smooth Sue” prides herself on “clean eating” and is excited to share the “EnSue's Smoothies” experience with others. The curated menu features a wide array of hand crafted smoothies, cold pressed juices, artisan Acai bowls, exotic salads and Ginger Wellness Shots. All menu offerings are designed to fit busy lifestyles and deliver a delicious treat for the entire family.

Specialty smoothies include: “The Healthy Point”, an ode to her beloved home of East Point. This signature item is a unique mix of kale, mango, pineapple, banana, fresh coconut and locally sourced honey..

“Our mission is to be more than a juice bar. Our goal is to offer the community healthy food options versus the artificial sweeteners and highly processed ingredients that are offered by larger smoothie chains.” -Sue Worthy, Proprietor.

Nestled steps away from East Point City Hall, the vibrant location delivers an innovative “cocktail style” bar that is the perfect setting for lunch, a business meeting or hanging out with neighbors and friends.

EnSue's Smoothies will host an official Grand Opening Celebration on May 24, 2025 at 1:00pm at 2879 East Point Street Suite 3-B in East Point.
